

Request #18-1334

Good morning,

Below you will find the information available for this request.

1. The procurement process was through an RFP (attached you will find the process for an RFP)
2. Training is hands on with the operators.
3. Data provided by vendors is compared to verify which residents paid for a wheel tax, lot permit, paid parking sessions, or to find vehicles eligible to be immobilized.
4. There is a 90 day retention period for the data
5. When looking for a stolen vehicle the Police Department may ask us to check data for any reads on the vehicle and location.
6. We do not share or sale any data retrieved
8. Reports are given to our Hearing Division if related to a citation being appealed.
9. Maintenance and calibration are done by vendor on a need to basis.
